God gives all men all earth
to love
But since man's heart is
small
Ordains for each, one spot
shall prove
Beloved over all.

Memories

Our founder, Samuel Cardinal Stritch, D.D.

“History began Monday morning, September the twenty-fifth, nineteen hundred twenty-two. I mean the history of Mary Manse. For on that day the first Catholic college for women in the diocese of Toledo was opened. For on that day, thirty awed and wondering freshmen, we began our college careers. Four years seemed an eternity then — we’ve learned since in philosophy that eternity has no beginning and now, looking back it seems but yesterday that Mary Manse opened her doors and welcomed her pioneers.”

Written by Molly Butler, Class Historian in the 1926 edition of **The Blue Candle**. (Our first year-book).

The service we render to others is really the rent we pay for our room on this earth. It is obvious that man is himself a traveller; that the purpose of this world is not "to have and to hold" but "to give and to serve." There can be no other meaning.

Nobody ever added up
The value of a smile;
We know how much a dollar's worth,
And how much is a mile;
We know the distance to the sun,
The size and weight of earth —
But no one's ever told us yet
How much a smile is worth.

Keep a song in your heart! It will lighten
The duty you hold in your hand;
Its music will graciously brighten
The work your high purpose has planned;
Your notes in the lives that are saddened
May make them hopefully yearn.
And earth shall be wondrously gladdened
By songs they shall sing in return.

You simply give to others a bit of yourself —
a thoughtful act,
a helpful idea,
a word of appreciation,
a lift over a rough spot,

To some of the staff this yearbook seemed like "the yearbook that was never meant to be." But somehow it does exist now. For this we would especially like to thank: our yearbook company representative, Steve White; photographers Jerry Barber, Larry Turpening, Dave Miller, and Powell Studios; Sister Grace, Sister Justin Hill, Mrs. Lawton, Mrs. Gerken, Sister Ursula Marie, Sister Lawrence, Sister Teresita, and all other people who helped us or just listened to us pour out our numerous troubles.

To look toward our happenings and recall happy moments . . .

Activities

The Golden Anniversary school year began Monday morning, August the thirtieth, nineteen hundred seventy-one. Though there have been many changes in our history, perhaps, one of the greatest was noted this year. Mary Manse opened this year as a co-educational college.

Opening of school brings new, and renewed friendships.

The sophomores presented a "Dragon Festival" for their initiation party for the freshmen.

Freshmen served the faculty fruit and Chinese foods.

Apprehensive freshmen await their next task as upper classmen look on.

Our freshmen thought they had it bad — just look at a couple "freshmen" of 1951.

Freshmen thank all those who helped them become part of Mary Manse.

We now have the power to make sports part of our history.

Mary Manse now has its first football player.

Future Projection: "This afternoon, folks, Mary Manse may prove to be the top team in the league . . ."

Sister Rose Margaret, President, greets students at the annual Student-Faculty Tea.

Dean Joan Hill chats with a student — just part of her many duties.

Faculty and students take part in the chicken "picnic."

Sandra Ellis enjoys mouth-watering chicken.

Kathy Cranon does an interpretive dance accompanied by Diane Stippich.

Gifts are offered by Mary Manse and Saint Vincent students.

The opening Mass of the Golden Anniversary year of Mary Manse was concelebrated by Father McWilliam, Father McClanahan and Father Wilhelm.

In full academic procession, the entire Mary Manse Community joined in commemoration of the 50th Annual Founder's Day, culminating at the President's Convocation. Mr. John F. Hayward, Chairman of the Mary Manse College Board of Trustees, was welcomed as guest speaker by Sister Rose Margaret. Bishop John A. Donovan presented the Stella Maris award to Sister Mary Lawrence Wilson, O.S.U. in recognition of her "loyalty and service to her fellowman." Miss Diane Stippich was awarded the Saint Catherine's Medal as the "outstanding junior." Also, nine seniors were recognized as "Who's Who Among Students in American Colleges and Universities."

Christmas

Sister Mary Helen has a cup of punch with Leah Craddolph and Mary Ellen Kaufman during the reception hour.

Christmas time means many happy events; the Resident's Formal Dinner; decorating the dorm floors; Christmas carols and of course, Santa Claus.

Gayle Kuleck chats with Mrs. Donna McHugh before the Formal Dinner.

Jolly Old St. Nick.

Freshmen serenade during lunch time.

Christmas would not be complete without a tree and fireplace.

Parents'
Weekend

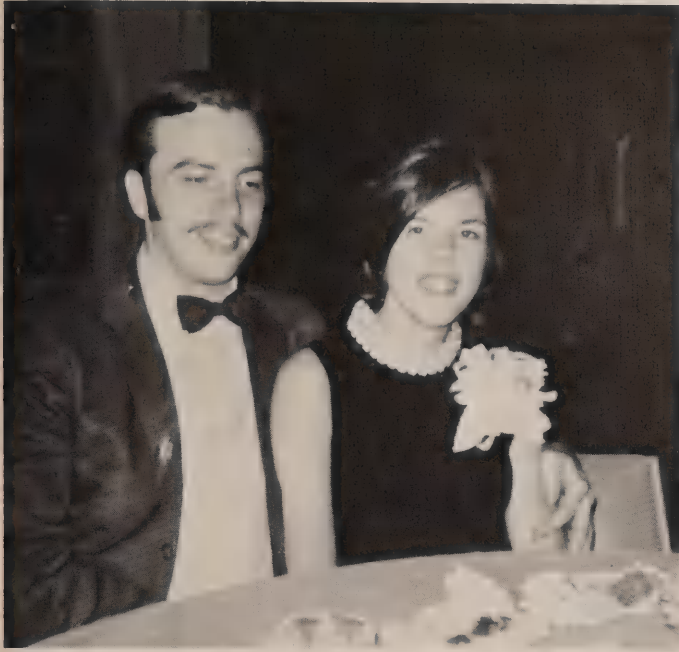

The program for Parents' Weekend included a student presentation of "Under Milkwood" by Dylan Thomas, under the direction of John Marzocco; "Holiday on Ice"; Mass; and a Dinner.

I'm really quite sorry that I must leave so soon. Funny how it seems as though I just arrived. But there are a million worlds out there beckoning me to venture forth. And I must heed their calls. Don't be sad though, for as I go I take you with me. In our short visit, I've learned a great deal from you — At times I've wished that I had never met you, you would frustrate me so much. You and I are both different since the first day we met — because of each other we have both changed. Now I see that it's just all part of the process of discovering life.

I really wish you wouldn't look so sad. You know, it's impossible to **completely** leave you — one of my favorite bits of wisdom, I learned while staying with you — "All that you love deeply becomes a part of you." So as I leave, I take part of you with me, and as you remain, you keep part of me with you.

Wish me the strength I will need as I encounter new worlds, and I will smile for you and say a prayer of gratitude for all you have given me.

The Class of '72

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it. American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

Fiberglas cord is making tracks.

These tough glass fibers from Owens-Corning add safety and performance to tires on most new Detroit cars. They form the fabric that protects Apollo space suits from temperature and fire.

And Fiberglas* reinforcements put strength and durability into a majority of pleasure-boat hulls built today. In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast into others.

Your career could make tracks at Owens-Corning too. There are hundreds of opportunities. For information, write us: Owens-Corning Fiberglas Corporation, Fiberglas Tower, Toledo, Ohio 43659
